"FAITHFUL WORKERS" (Part 2)

And the things that thou hast heard of me among many witnesses, the same commit thou to faithful men, who shall be able to teach others also. - II Timothy 2:2

It is the joy of the missionary to watch the churches, which God has allowed him to be a part of, grow into vibrant, God-honoring works. Through many years of ministry, in times of joy and sorrow, seasons of victory and, at times, seeming defeat, the missionary must "keep on keeping on", and be faithful to the end. God has allowed us to be a part of personal evangelism, planting new works, nurturing, discipling, training, and deploying others to do the same. To see those ministries develop into local, New Testament, independent Baptist churches, indigenous in every sense of the word (self-propagating, self-supporting, and self-governing) brings a flood of joy to our hearts.

These months of world-wide pandemic have, truly, been challenging to all of us. We told you in our last prayer letter of the tremendous work our folks have done in the digital field keeping our churches online, and the "ministry" moving forward in spite of the fact that our churches have not been able to meet together since March of 2020. Two of our national pastors have been arrested in their attempt to meet in their buildings, in spite of obeying and applying all the governmental social distancing, masking, etc. guidelines. Please pray for these works as they continue to minister through the means mentioned above.

I would like to highlight another aspect of "faithful workers". The Bible Baptist Church in La Reina, Santiago had part of their property expropriated for a new highway going through. One building has been demolished, and another will be totally rebuilt. During this COVID season, the leaders of this church have, themselves, done all the paper and bureaucratic work for this project. They have also done the physical labor to prepare the buildings for the new project. This, without a pastor, who resigned and left the church many months ago and without this missionary being physically present due to COVID. We want to lift them up in prayer and thank God for **faithful men**, who love God and Christ's church. Without them, this project would have been dead in the water. Thank God for "Faithful" workers.

THANK YOU for your faithful partnership,

Dave and Peggy Disney
